

5 cool logs

2012

One day in Laurimar Thir was 5 cool kids named Tim, Tam, Tos, Dim and Sim. They all loved South Park And all ^{of them} had all episodes of it every one was scared of them except 5 other boys named Denis, Ethon, Brayden and Spencer. People thought Brayden's group was the hottest in the world. Tim was always scared of Brayden and his friends. So one day Tim decided to get a new member named Ki he was really distracting. People really hated him because he stalks people and lie about having a black belt. Every day at midnight Ki gets up and prays. So one day people started talking out about bringing Ki and his friends up to space. But how one know how Ki looks then they saw 5 boys it was Brayden and his friend but the people thought it was Ki and his friend so they grabed them and chuckd them in a space ship and set off. 5 hours later they were at moon Ben said to every one were the only survivors but Ethon said "were on the moon" Denis then said "thats sick". But 1 minute later a UFO Jast landed in front of them and took them in after 1 minute everyone was crying but then Ben found a gun but it was to late they landed on alien planet. Back at earth people were worried about them and they knew Ki was still on planet earth.

You have
made a
great start!
Great job!

CHAPTER 2

Then Denis and his friends were starting to getting a long with the aliens. But after a while they later they went to school and then an alien in grade six had a fight with Brayden and Brayden and his friend gave him about 80 hand wedges. Then alien's declared war on the five friends the alien's kept it a secret but they knew soon or later they will find out. So the alien's grabbed their guns and set off. One of the alien's riding over to their house and explained the situation and then all of them grabbed ^{Tim} a gun and walked. Back at earth they found Ki and put him in a stone and cooked him and served him to the dogs. 10 minutes later the alien's arrived and started shooting and Ben grabbed his Shotgun and blew their prime minister head off. Then they sent their special forces in and grabbed them. but the alien grabbed the us and put the five friends in and spiked back to earth but the alien's just didn't give up.

They followed until they reached planet earth and the whole world was under attack so people grabbed guns and defended the or one country people and alien's were killing like hell it was unbelievable.

How to Kill A Alien 3

So Ben and Spicer got out and blow up the aliens. Denis grabbed a baseball bat and looked down. But then they pushed Ethan off a bridge so everyone dropped their weapons and started fighting and Freddy and Jason smashed the aliens next 5 aliens grabbed Ethan and started hitting him so Denis went down but they and 5 onto 2 the aliens grab knives but next thing you see is Ben, Brag Bryden and Spencer coming down with the Texas chainsaw massacre and Freddy and Jason and they was goo every now we saw what aliens eat vomit disgusting.

Then more aliens come down and attacked soon people were held as hostages but then zoo keepers let out tigers and panthers averagely they rip their heads off and the zoo keepers chained the animals up and untied the people.

Chapter 4

Next day the humans knew they were gonna come back so they packed their things up and looked for a new world but every man under 20 had to stay and face the disgusting creatures. Next day they set off and many stayed and fought for their lives. next day is christmas and they lost the fight the people who set off live happily ever after but the give friend story is still not over. Ben and his friend thought of digging under ground. But Denis said "it will take too long." And after along years they saw the others and lived their lives
